If it's possible to give him more XLR with separate signals, he'll be eternally grateful!

## **FOOD**

3 Omnivore: We're not picky in general but appreciate unprocessed, healthy food. Vegetarian or vegan food is not necessary but also welcome.

Preferably we would like water, coffee and if possible Snacks/Sandwiches for soundcheck.

## **DRESSING ROOM**

Please see to that we have a lockable space where we can prepare for our show. It would make us happy to have a mirror, a crate of beer, a bottle of white wine, fruits and if outside of Berlin, 4 postcards to write to our beloved ones to tell them what a great tour we're having.

**We're looking forward to working with you!**

**Warm regards  
The Eternal Love**
